The undersigned or its' representative ( hereinafter "applicant") hereby makes application to Perennial Public Power District (hereinafter "the District") to provide electric service, subject to the following conditions:

1. In consideration of the District making electric service available, the applicant will purchase from the District all electric energy used on the premises and will pay for such electric energy in accordance with the applicable Rate Schedule of the District.
2. Applicant agrees to pay the minimum monthly or annual charge as specified in the applicable Rate Schedule.
3. Electric energy furnished by the District shall become the property of the applicant immediately after it passes the metering equipment. The District shall not be liable for damage to the applicant's property as a result of the electric energy unless such damage is a direct result of failure of equipment owned by the District either located at or ahead of the metering equipment. Acts of God cannot be considered as equipment failure and the District will not be liable for damage to applicant's property as a result of such occurrences.
4. The District shall have the right of ingress and egress on the applicant's property for the purpose of line and service construction, operating and maintenance of equipment, including the right to cut, trim, or remove trees, shrubbery, or other obstacles necessary to protect the District's lines and facilities.
5. All new services must be approved by the District's engineering department and when district policy requires, the applicant shall sign a contract and make all payments specified by district policy before start of construction of services.
6. The District reserves the right to deny or terminate electrical service to the applicant at any location within the District's service territory for non-payment of charges arising from this contract or any other contract entered into between the District and the applicant.

**Commercial and Combination Service**

**BILLING PROCEDURES AND POLICIES**

1. The District will read your meter each month and you will receive your bill for that month's usage.
2. All charges are due upon receipt of the bill and become delinquent if not paid by the due date following the billing date printed on the bill.
3. A late payment penalty of \$10.00 or 5% of the current bill, whichever is greater, shall apply to an account balance remaining unpaid after the due date.
4. Any service remaining unpaid after the proper disconnect notice has been serviced, shall be terminated without further notice.
5. All unpaid balances over 30 days past due may be subject to an interest charge of 1.33% per month.
