

PRE-WIRING INCENTIVE APPLICATION FOR ELECTRIC VEHICLE HOME CHARGING STATION

A limited number of \$200 incentives are available for in-home pre-wiring for the future installation of an electric vehicle charging station. Installation location must be a single or multi-family residential location served by Nebraska Public Power District (NPPD) or its wholesale customers. Reservation will expire in 90 days if proof of installation is not received. Contact Perennial Public Power District at 402-362-3355; or email perennial@perennialpower.com with any questions.

1. Customer Name: _____ Electric Utility: _____
 Account Number: _____ Telephone Number: _____
 Address, City, ZIP: _____ Single Family Multi-Family
 Installation Address & City (if different from above): _____
 Email Address: _____

By signing below, customer agrees to the Terms and Conditions listed on the back of this application.

7. Submit this application to Perennial Public Power District for approval.

TERMS & CONDITIONS

PROOF OF INSTALLATION: Documentation must include proof of wiring or conduit installation via Electrician signoff of work completion, along with a photo of the installation. This photo can be submitted via mail or email. If this proof is not received within 90 days of the expiration date on the application, the application will be voided.

INCENTIVE OFFER: Details of this program, including incentive levels, are subject to change without notice. Perennial Public Power District reserves the right to limit incentives. Not available for equipment that qualifies under other EnergyWiseSM incentive programs. All incentives are subject to specific program guidelines. This incentive is only available to customers of Nebraska Public Power District (NPPD) and customers of its wholesale utilities.

ELIGIBLE EQUIPMENT: This incentive is for the installation of home pre-wiring with NM cable for minimum ampacity of 32 Amps continuous load per NEC (National Electrical Code) and/or the running of appropriate size conduit per NEC, from the load center to a future NEMA 6-50 receptacle.

ISSUING INCENTIVES: Cable and/or conduit must be installed before an incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by Perennial Public Power District for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

APPROVAL & VERIFICATION: Perennial Public Power District reserves the right to verify sales transactions and projects prior to and after installation.

TAX LIABILITY: Neither Perennial Public Power District nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the EV charging station home wiring.

ENDORSEMENT: Neither Perennial Public Power District nor Nebraska Public Power District endorses any particular manufacturers, products, or system designs in promoting this program.

DISPOSAL: The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project.

SAFETY & BUILDING CODES: The customer/contractor agrees that each measure complies with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither Perennial Public Power District nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.
