- 4.) Heat mats must have automatic temperature control
- 5.) For use with swine farrowing only

TERMS and CONDITIONS

INCENTIVE OFFER: This energy efficiency incentive program covers equipment during the program year in which it is purchased and installed. Details of this program, including incentive levels, are included in the program guidelines and are subject to change without notice. Perennial Public Power District reserves the right to limit incentives.

ELIGIBLE EQUIPMENT: Equipment must be new, permanently installed, and operational at the customer's facility.

APPROVAL & VERIFICATION: Incentives exceeding \$5,000 require approval by Perennial Public Power District before purchase or installation. Perennial Public Power District reserves the right to verify sales transactions, review equipment specifications and inspect all projects prior to and after installation.

TAX LIABILITY: Neither Perennial Public Power District nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the energy efficiency incentive.

ENDORSEMENT: Neither Perennial Public Power District nor Nebraska Public Power District endorses any particular manufacturers, products, nor system designs in promoting this program. Equivalent products must be pre-approved by the electric utility and Nebraska Public Power District.

SAFETY & BUILDING CODES: The customer/contractor agrees that each measure complies with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither Perennial Public Power District nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.
