

**PERENNIAL PUBLIC POWER DISTRICT
CAREER OPPORTUNITY**

LINE TECHNICIAN POSITION

Perennial Public Power District, an equal opportunity employer located in York, Nebraska, has an opening for a full-time permanent Journeyman or Apprentice Line Technician. This position will aid and assist the Operations Department in the completion of the maintenance, construction, and operation of the overhead and underground distribution and transmission lines and substations within the District. Work will involve an “on-call” rotation outside of normal business hours including working nights, weekends, and holidays.

Applicants will have a high school diploma or equivalent. Graduates with an Associate Degree in Utility Line from an accredited technical school are preferred, but other candidates with electrical utility experience may be considered. Applicants must have an excellent driving record and possess, or be able to obtain, a valid Nebraska Class A Commercial Driver’s License. The successful candidate will be required to participate in the District’s Apprentice Line Technician education program with the objective of obtaining the level of Journeyman Line Technician classification.

After an employment offer has been made, The District will require a physical examination, which will include both alcohol and drug testing. Documentation requirements associated with the D.O.T. drug and alcohol-testing program will be complied with.

Perennial Public Power District is a progressive, electric utility industry leader with very competitive wage and benefit package. Qualified applicants should send a letter of application and a current resume with three personal and three professional references to:

Perennial Public Power District
Attn: Randy Martin, Manager of Operations
P.O. Box 219
York, NE 68467
800-289-0288
rmartin@perennialpower.com

Resumes will be accepted until 4:30PM, Friday, March 30, 2018.
