

ELECTRIC VEHICLE & CHARGING STATION RESERVATION APPLICATION

A limited number of \$4,000 incentives for the purchase of a new Battery Electric Vehicle (BEV) (no hybrids) and \$500 incentive for the installation of a residential ChargePoint 32 Amp (minimum), Wi-Fi charging station are available. Charging station installation and vehicle reservation must be at the same location and be a single or multi-family residence with wireless internet connectivity to qualify. Charger must also be purchased and installed to receive the \$4,000 vehicle rebate. Customer agrees to allow Perennial Public Power District to collect vehicle charging data through on-site Wi-Fi for 36 months. The information collected during this project will allow Perennial Public Power District to design potential economic incentive programs for various charging schemes. If proof of vehicle purchase is not received within 7 days, or proof of charging station installation is not received within 90 days, your reservation will expire. *Contact Perennial Public Power District (402-362-3355) or email perennial@perennialpower.com with any questions.*

I have enrolled in the Nebraska Public Power District/Wholesale Utility ("Offeror") Electric Vehicle Charging Station Incentive Program (the "Program") pursuant to receiving a \$500 incentive. I understand that, as a condition to my participation in the Program, I am required to authorize ChargePoint, Inc., to release usage information (the "Usage Information") generated by my ChargePoint Home residential charging station and to assist Offeror with certain data collection tasks that I have authorized Offeror to perform in connection with the Program. I understand that the release of such information may include a release to NPPD of certain personally identifiable information about me, including, but not limited to, location and energy consumption profile. I also understand and agree that ChargePoint is not responsible for, nor has any authority with respect to, Offeror's privacy practices or how Offeror may use any information about me. In consideration for being allowed to participate in the Program, I hereby authorize ChargePoint to release the Usage Information and the personally identifiable information and to assist Offeror with performing the data collection tasks, and hereby forever release and disclaim, on behalf of myself, my heirs and assigns, ChargePoint from any and all claims I may have against it, its employees, officers and directors, arising out of or in connection with such release.

I understand and agree that the Program is being offered solely by the Offeror and not by ChargePoint. I hereby agree that ChargePoint shall have no liability whatsoever from Offeror's failure to deliver any of the benefits offered by Offeror in connection with the Program, and hereby forever release and disclaim, on behalf of myself, my heirs and assigns, ChargePoint from any and all claims I may have against it, its employees, officers and directors arising out of or in connection with Offeror's failure to deliver such benefits.

TERMS & CONDITIONS

PROOF OF PURCHASE - Electric Vehicle: Sales receipt(s) or invoice(s) itemizing the new vehicle purchased must be supplied within 7 days of the approved reservation application. If proof of purchase is not received within 7 days, reservation will be voided. A copy of the vehicle registration must be provided and must reference same residential address as the charging station.

PROOF OF PURCHASE - ChargePoint 32 Amp (minimum), Wi-Fi enabled home charging station: Sales receipt(s) or invoice(s) itemizing the charging station and indicating the size, type, make, model, and purchase date. If not received within 90 days of the reservation application, the application will be voided. Charging station must be purchased and connected to the ChargePoint data retrieval system before final incentive is paid.

INCENTIVE OFFER: Details of this program, including incentive levels, are subject to change without notice. Perennial Public Power District reserves the right to limit incentives. Not available for equipment that qualifies under other EnergyWiseSM incentive programs. All incentives are subject to specific program guidelines. This incentive is only available to customers of Nebraska Public Power District (NPPD) and customers of its wholesale utilities.

ELIGIBLE EQUIPMENT: New plug in Battery Electric Vehicles (BEVs) (no hybrid vehicles) and ChargePoint 32 Amp (minimum) Wi-Fi enabled charging stations. Customer agrees to provide access to on-site Wi-Fi for internet connectivity for thirty-six continuous months from date of incentive approval.

ISSUING INCENTIVES: Equipment must be purchased and installed before an incentive is issued. Falsifying any information may lead to cancellation of this and future incentive applications, a claim by Perennial Public Power District for the return of any incentive, and/or referral for prosecution. Please allow 45 days for delivery of incentives. Submitting an application with incomplete or missing information may delay processing of the incentive.

APPROVAL & VERIFICATION: Perennial Public Power District reserves the right to verify sales transactions and projects prior to and after installation.

TAX LIABILITY: Neither Perennial Public Power District nor Nebraska Public Power District are responsible for any tax liability imposed on the customer as a result of the electric vehicle incentive.

ENDORSEMENT: Neither Perennial Public Power District nor Nebraska Public Power District endorses any manufacturers, products, or system designs in promoting this program.

DISPOSAL: The customer/contractor is responsible for the proper disposal and/or recycling of any waste generated as a result of this project.

SAFETY & BUILDING CODES: It is the responsibility of the customer/contractor to comply with all federal, state, and local safety, building, and environmental codes. All products must be UL-listed and installed per manufacturer's instructions.

DISCLAIMER OF WARRANTIES: Neither Perennial Public Power District nor Nebraska Public Power District warrant the performance of any equipment either expressly or implicitly. Contact the supplier or contractor for details regarding equipment warranties.

USE OF CUSTOMER DATA: Perennial Public Power District asserts that energy data collected is for research purposes only. Any dissemination of the data would be scrubbed of individual identification.
